Basic Overview Based on Non Profit Model

Become a member of Sustainable Lives. Members can utilize Sustainable Lives equipment or space which is available for the purpose of developing projects, programs or businesses. Members can also receive services provided by Sustainable Lives' volunteers. Members are also encouraged to volunteer. Become a volunteer of Sustainable Lives. Sustainable Lives is meant to be a volunteer model which means that most programs will be run by volunteers.

Additional Means of Income for Sustainable Lives

Each program must be fiscally solvent in its initial design. A team of individuals will suggest methodology of funding for each program: to ensure most efficient funding source and probability of program success.

As an individual Sustainable Lives House is filled, an attempt to develop additional houses will take place. This growth will also be dependent on the will and capability of those who are involved.

Appendix (This shows some of the criteria for engaging in Sustainable Lives programs.
